

ABOUT THE SCHOOL

The course you are considering has come together over seven years. We have called it the Davidic School of Ministry for several good Scriptural reasons:

David had a heart after God (Acts 13:22). Jesus was the reflection, the very expressed image of the heart of God (Hebrews 1:3).

David fulfilled the purposes of God in his generation (Acts 13:36). Christ only did what He saw His father doing (John 5:19).

The church is the restoration of the tabernacle of David (Acts 15:16). Jesus said He would build His church (Matthew 16:18).

The key of David alone opens doors, and opportunities for the church (Revelation 3:7). Jesus gave us the keys of the kingdom (Matthew 16:19)

The throne of David and his kingdom are endless (Isaiah 9:5). This government has been placed upon the shoulders of Jesus Christ (Isaiah 9:6).

All authority stems from this seat. "The kingdoms of this world have become the kingdoms of our Lord and of His Christ and He shall reign forever" (Revelation 11:15).

OUR ETHOS

Davidic School of Ministry is a general school of ministry training designed for practical and theological training. It is not a traditional Bible college. Our aim was to create a college which would take anybody from ordinary to excellent in one to two years. Our aim is to actually see the fulfillment of Ephesians 4:11-16: leadership gifts raising up a generation of ministers who do the work of ministry.

WHAT WE ASSUME

To undertake this course, we assume:

A basic biblical knowledge, that is, you have read the Bible at least once right through.

A basic education up to grade ten.

The ability to read English and complete a text book for each stream.

WHERE IS THE COURSE?

The Davidic School of Ministry is offered as :

- A full time one-year course in India, Zambia and Zimbabwe.
- A part time two-year course by distance education. This involves reading a text for each stream, doing assignments and fulfilling practical projects. It also includes doing 2 one-week intensives.
- Or a series of week-end intensives (three and a half days).
